V. RANGASWAMY IYENGAR,
Director of Industries and Commerce.

WATER-SUPPLY DIVISION.

Abstract Notification, Camp Harihar, dated 28th January 1917.

The attention of the public is invited to the notification dated 28th January 1917, calling for tenders for the supply of wall Telephone instruments up to 19th February 1917, published on page 83, Part IV of the *Mysore Gazette*, dated 1st February 1917.

Notice dated the 12th February 1917.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Water-Supply Division, Bangalore, upto 3rd March 1917, 12 noon, for "Constructing the tunnel of Eleven vents in front of No. 6 Acqueduct" near Soldevanhalli Pumping Station. An approximate estimate of quantities is given below. The quantities are not guaranteed. The work should be completed by the 15th of June 1917.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's Office at Bangalore, between the hours of 11 A.M. and 4 P.M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 100 (rupees one hundred only, in cash or Government Promissory Notes, as earnest money, and be superscribed "Tender for constructing the tunnel of Eleven vents in front of No. 6 Acqueduct, near Soldevanhalli Pumping Station," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within eight days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which his tender will be considered cancelled and his earnest money will be forfeited.

7. The name of the successful competitor, whose tender has been accepted, will be posted on the notice board in the Executive Engineer's office, in due course. No enquiries regarding the acceptance or rejection of the tender will receive any reply.

8. On acceptance of one of the tenders, the earnest money on rejected tenders will be returned.

No	Details of work	Per	Quantity
